Mr. Harold Bradley  
Box 3  
Greenville, S.C. 29601

Dear Harold,

Thankful thanks for the copies of the statements.  
At one time, I felt that he really believed what he said  
and that he was a truthful man. I now know better.  
I have seen the papers that Dr. L. was shoving around with  
all of his corrections as to where the women (Bradley) had  
changed (supposedly) his deposition? Do you have any  
information as to what the changes were supposed to be?

When I get time to go through boxes of Bradley  
material, I will send you a photostatic copy of any pass-  
ports that you wanted.

As far, I haven't seen this so far as the FBI report  
regarding the other Bradley.

Thanks again to you for your efforts in my  
behalf. Enclosed, is a check for six dollars to cover your  
costs of getting them for me.

Sincerely,  
Gene Bradley
